Real Estate and Rain

Archison, Kan., April 16 - The real estate transfers in Atchison for the week ending Saturday evening foot up \$750,000 one deed covering \$388,000. A fine rain, the heaviest of the season, commenced falling at 4 p. m.; it is general The Commission Still Wrestling

all over northern Kansas, . Gets There in Good Shape.

FORT SCOTT, Kan , April 16 .- Jay Gould and party arrived in this city tonight and were met at the depot by a large commit-tee from the Board of Trade. They will remain here tonight and tomorrow morning will visit the huge natural gas wells and the great artesian well. They come here to inspect the buildings of the large machine shops now being built here by the Wichita and Pacific roads, Another immense natural gas well was

struck here tonight and the flow is equal to the great Campbell discovered here a few days ago.

The sales of real estate for the week ending tonight are \$250,000.

Weather Report. WASHINGTON, April 17, 1 a.m.-The following are the fedications: For Missouri: Light rains, easterly winds becoming variable, stationary temperature in the eastern portion, a slight rise in temperature

in the western portion.

For Nebraska and Kansas: Light rains. north to east winds becoming variable warmer in the western portion, stationary temperature in the cottern portion.

The West Virginia Tornado. WHELLING, W. VA. April 16.—The des tructions of St. Clairsville was, if anything, under estimated by last night's dispatches. No agregate idea can be conveyed to words of the scene of ruin and destruction where the tornulo struck.

The Interstate Commerce Commission,

WASHINGTON, April 14, 1887. David Henderson, Esq., President National Amus ment Protective Association.

Dear Sir-Yours of the 9th inst. enclosing petition on behalf of the associa-tion you represent has been laid before the commission. In reply I am instructed to say that the commission does not undertake to say in advance what rates the railroad companies shall or shall not make to any class or organization of persons, but will consider any complaints presented in the Deals Sign—Railroads, senting actual controversies when the rates actually made are supposed by the parties complaining to be inadmissable under the law. This response in substance has been made to many petitions similar to your Obstreperous Participants

Very respectfully, yours, T. M. Cooley, Chairman.

A Bold Counter-move.

PITTSBURG, Pa., April 16.—An after-noon paper publishes a sensational item in which it is stated that a secret meeting of employes of the Panhandle road was held last night to consider a bold and declisive move to force the railway authorities to some kind of compromise. It was pro-posed to demand a guarantee that no furher arrests shall be made and that all men now employed on the road be completely exonerated from any complicity in the al-leged thefts. Should these guarantees not be forthcoming the men will decline to en-

be forthcoming the men will decline to enter again the company's service under suspicious resting upon them until all the cases have been finally settled.

Demands will also be made respecting certain parties under arrest, claimed innocent of the charges, and respecting others a guarantee that they will not be kept in jail all summer, but be tried immediately. If the demands are not complied with a If the demands are not complied with a strike will be ordered and all trains side

FIRE RECORD.

A Blaze iu a Five story Tenement. No. 647 Second avenue, caused the police great difficulty in rescuing the immates. All escaped except Richard Giliadorf, who was severely burned about the feet. He was removed to a hospital. After the fire was put out a search of the house revealed bound regulations.

Special Dispatch to the Daity Eagle.

Krowa, Kam., April 16.—The president of inspection over the Fort Scott road.

The city council last night reappointed all the old officers, which insures good city government for the ensuing year.

A rain commenced falling early this morning and continued all day with no signs of abatement. Farmers and business men are alike jubilant.

Notes From the Ninnescah.

Special Dispatch to the Daity Eagle.

Washington, April 16.—The president this afternoon made the following appointments: Alexander R. Lawton of Georgia, envoy extrabrilang and minister plenipotentiary to Austria-Hungary; Newman W. Connell, of Tennessee, chief justice supreme count Montana Torritory, and George S. Peters of Olito, attorney for the United States for territory of Utal.
